

Double Clamps

Short Description

Double Clamps

Description

Separate, organize, and support all types of hose, tubing, and wire. Made For You offer an economical and lightweight alternative to expensive aluminium and metal products.

Engineered to "pre-load", working as their own lock washer, Made For You T-Clamps hold tubing, hoses, and wire away from the application, thereby eliminating vibration and paint chaffing.

- Will not melt, fade, stain, corrode or discolour.
- Will not crack or break from heat or cold.
- Unaffected by automobile fluids, including brake, fuel, and coolant.
- Non-conductive.

Double clamps are available in sizes $\frac{3}{16}$, $\frac{5}{16}$, $\frac{3}{8}$, $\frac{7}{16}$, $\frac{1}{2}$, $\frac{9}{16}$, $\frac{11}{16}$, $\frac{13}{16}$, $\frac{15}{16}$ and in black, blue and red.
