

Steel Bonnet Pins

Short Description

Steel Bonnet Pins

Give us a call on 09 525 6858 to find out price and availability.

Description

Steel bonnet pins, suitable for all forms of motorsport, including Race, Rally, Autograss, Track day, Oval Racing and more. The Steel bonnet pins feature a captive slide pin and 7/16" UNF thread shank

These widely used bonnet pins have the retaining pin in a channel so there is no wire to spoil the look (or catch the scenery !) These are made in steel and come in silver.
